Mike Fennell was a role model and an inspiration to the Rochester community. Mike touched many lives throughout his 42 years. Among them are his family, friends and student-athletes. Having played as a catcher in the Yankee organization for eight years, he brought special attention to his baseball program at McQuaid Jesuit High School. Mike was involved in various community organizations. As with his battle against cancer, Mike approached life with unwavering strength, faith and passion to succeed. We will always remember him.

We hope that you and a group of your friends will join us for a fun round of golf and an informal dinner. The net proceeds from this event will now benefit the Michael J. Fennell Scholarship Fund at Le Moyne College. This Fund will benefit a graduate of either Fairport High School or McQuaid Jesuit High School.
