Mike approached life with unwavering strength, faith and a passion to succeed. As a result, he achieved a great deal in his lifetime.

After graduating from Fairport High School, he enjoyed a successful baseball career at Le Moyne College. Drafted by the New York Yankees, he spent eight years in the Yankee organization. After his professional baseball career, he coached the McQuaid Baseball team for twelve years and won a Section V title in 2001.

As a husband, father, son, brother, coach and friend, he was a role model and a courageous inspiration. He touched many lives throughout his life. He is remembered fondly and missed by his family, friends and former student-athletes. His spirit endures in the lives of those he touched.

Your participation in and support of the golf tournament is greatly appreciated.
